WELCOME TO LAMMERMUIR HOUSE

Situated in the historic coastal town of Dunbar, Lammermuir House Care Home offers excellence in Nursing and Dementia Care, tailored to the needs of each individual resident.

Our caring team provide comprehensive, compassionate and dedicated care, 24 hours a day.

Our enviable location affords us beautiful views of the sea, while being just a short drive from Dunbar town centre, close to local shops and public transport.

Internally, our purpose-built home includes a choice of shared lounges and conservatory, with fabulous sea views both from our well-situated balcony and the majority of our comfortable en-suite bedrooms. Residents are welcome to personalise their rooms, as they wish.

Our chef and catering team work hard to provide nutritious meals with seasonal produce, ensuring all tastes and dietary needs are catered for.

We are passionate about supporting residents to live each day to the full through our varied activities programme and strong links with the local community, including local groups, parish connections and invited speakers to ensure we stay active and connected.
